EAAE Research Academy Programme 2018-2020

Porto General Assembly 2018.08.31

Goals

- a meeting point for architectural research
- to develop a database of periodicals
- to develop a discussion platform/strengthen the network for PhD assessment
- to develop the quality criteria, relevant for architectural research (training)
- to prepare a policy paper on architectural doctoral training
- to develop a set of advocacy actions
- to disseminate and present our research activities to members at each GM

PhD X-Ray

European Survey into Doctoral Training in Architecture

Project coordinator: Filipa Roseta Vaz Monteiro

What is the PhD X-Ray?

- a questionnaire 'looking at 23 of 39 answers'
- started in 2016... will run to 2020
- survey on doctoral training

What is the previous framework?

- Charter Definition

When did doctoral training in Architecture in Europe begin?

- Mostly from 1990 to 2010
- Earliest 1960s
- Some in the 1980s
- No PhD programme yet?

How can the doctoral student community be described?

- From 6 to 1000 students
- Common enrolment requirements
- 10% of total community of students

Who is supervising the research?

- PhD holder + member of Faculty
- Just PhD or Expertise?

How much does it cost?

- Average 1375 EUR (yearly fee)
- Range from 0 EUR to 5000 EUR (yearly fee)
- Exceptional fee 33000 EUR (yearly fee)

What are the main Areas of Research?

- Architecture (all) Urban Studies (most)
- Wide Range of Specifics...from Technical to Beaux-Arts to Social Sciences

How can the research work be described?

- Mostly individual work
- Design and practice are not mandatory

The background of the entire page is a detailed, light gray architectural line drawing. It depicts a complex urban or industrial site plan, showing numerous rectangular and irregular shapes representing buildings, courtyards, and pathways. The drawing is dense and covers the entire area, providing a technical and spatial context for the text overlaid on it.

Women architecture academics recruitment pack! *What to expect from your employer....*

- 1. Academic housekeeping (blame mother/pastoral care).**
- 2. The glass ceiling (pay differentials across the sector 20%).**
- 3. The glass cliff face (rescue and fix).**
- 4. Contract casualisation (increased sense of precariousness).**
- 5. Ignored inter-sectionality implications (race/class/ability/sexuality).**
- 6. Long hours culture (bad mother/bad architect).**
- 7. Isolation within largely male cohorts (beer-brokered promotions).**
- 8. The secret between us: competition among women (Laura Tracy, 1991)**
